COUNT I
INFRINGEMENT OF U.S. PATENT NO. 5,855,343

23. United States Patent No. 5,855,343 (“the ‘343 patent”), entitled “Camera Clip” was filed on March 7, 1997 and duly and legally issued on January 5, 1999.

24. GlobalMedia Group, LLC (“Global Media”) is the assignee of the ‘343 patent. GlobalMedia has granted an exclusive license to all substantial rights to the ‘343 patent, including the right to bring this suit, to Acacia Patent Acquisition LLC (“APAC”). Prior to this suit being filed, APAC assigned all of its rights in the ‘343 patent to AdjustaCam, which is the present exclusive licensee of, and owner of all substantial rights to the ‘343 patent. Accordingly, AdjustaCam has standing to bring this lawsuit for infringement of the ‘343 patent.

25. The claims of the ‘343 patent cover, *inter alia*, apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer,

when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

26. On information and belief, all Defendants are infringing at least claim 1 of the '343 patent under 35 U.S.C. § 271. Without limitation:

27. On information and belief, ANTONLINE has been and now is infringing at least claim 1 the '343 patent under 35 U.S.C. § 271 by actions comprising selling and/or offering to sell apparatuses for supporting cameras, including as described in paragraph 25 above. 43. AdjustaCam reserves the right to take discovery regarding pre-suit knowledge of the '343 patent by the Defendants.

44. On information and belief, to the extent CREATIVE, GUILLEMOT, KYE, PDT, SAKAR, SOLID YEAR and/or TRUST continue to infringe the ‘343 patent after receiving notice of the ‘343 patent, including at a minimum from this lawsuit, then such infringement, including by selling infringing apparatuses, would necessarily comprise intentionally inducing others, including their re-sellers and/or customers, to infringe the ‘343 patent, including by selling and/or using such apparatuses.

45. On information and belief, to the extent CREATIVE, GUILLEMOT, KYE, PDT, SAKAR, SOLID YEAR and/or TRUST continue to infringe the '343 patent after receiving such notice, including by selling infringing apparatuses, then such infringement would necessarily comprise contributing to the infringement by others, including their re-sellers and/or customers, including by selling and/or using such apparatuses. On information and belief, such Defendants would know that such apparatuses are, at a minimum, especially made or especially adapted for use in an infringement of the '343 patent, and not a staple article or commodity of commerce suitable for substantial non-infringing use.

46. On information and belief, to the extent ANTONLINE, DIRECTRON, COMPSOURCE, COMPUPLUS, THENERDS, ECOST, OFFICENATION, PROVANTAGE and/or SIGNAL MICRO continue to infringe the '343 patent after receiving notice of the '343 patent, including at a minimum from this lawsuit, then such infringement, including by selling infringing apparatuses, would necessarily comprise intentionally inducing others, including their customers, to infringe the '343 patent, including by using such apparatuses.

47. On information and belief, to the extent ANTONLINE, DIRECTRON, COMPSOURCE, COMPUPLUS, THENERDS, ECOST, OFFICENATION, PROVANTAGE and/or SIGNAL MICRO continue to infringe the '343 patent after receiving such notice, including by selling infringing apparatuses, then such infringement would necessarily comprise contributing to the infringement by others, including their customers, including by using such apparatuses. On information and belief, such Defendants would know that such apparatuses are, at a minimum, especially made or especially adapted for use in an infringement of the '343 patent, and not a staple article or commodity of commerce suitable for substantial non-infringing use.

48. To the extent that facts learned during the pendency of this case show that Defendants' infringement is, or has been willful, Plaintiff reserves the right to request such a finding at time of trial.

49. As a result of Defendants' infringing conduct, Defendants have damaged AdjustaCam. Defendants are liable to AdjustaCam in an amount that adequately compensates AdjustaCam for their infringement, which, by law, can be no less than a reasonable royalty.

PRAYER FOR RELIEF

WHEREFORE, AdjustaCam respectfully requests that this Court enter:

1. A judgment in favor of AdjustaCam that Defendants have infringed the ‘343 patent;
2. A permanent injunction enjoining Defendants, their employees and agents, and all others acting in active concert therewith from infringing the ‘343 patent;

3. A judgment and order requiring Defendants to pay AdjustaCam its damages, enhanced damages, costs, expenses, and prejudgment and post-judgment interest for Defendants' infringement of the '343 patent as provided under 35 U.S.C. § 284;

4. A judgment and order finding that this is an exceptional case within the meaning of 35 U.S.C. § 285 and awarding to AdjustaCam its reasonable attorneys' fees; and

5. Any and all other relief to which AdjustaCam may show itself to be entitled.

DEMAND FOR JURY TRIAL

Plaintiff, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.
